

Announcement and Call for Participation

Summer School 2019

July 28-August 7, 2019

Tokushima University, Japan

We are very pleased to announce the summer school to be held at **Graduate School of Advanced Technology, Industrial and Social Sciences, Tokushima University** from **July 28 - August 7, 2019**. The aim of this summer school is to educate the graduate students with deep knowledge on their major engineering. The Summer school program will include lectures, discussions, laboratory sessions delivered by leading researchers in the field of Advanced Science and Technology.

Who should apply?

Applications are invited from the engineering undergraduate and graduate students from all our partner universities.

How to apply?

The application form can be downloaded and view online at <http://www.cicee.tokushima-u.ac.jp>

Registration fees : 30,000 Yen

Note: Registration fees includes following.
