

**Announcement - Call for participation: Summer School at
The University of Tokushima, Japan
August 2-6, 2010**

Dear Sir/Madam,

We are very pleased to announce the summer school to be held at The University of Tokushima from August 2-6, 2010. The aim of this summer school is to educate the graduate students with deep knowledge on their major engineering. The Summer school program will include lectures, discussions, laboratory sessions delivered by leading researchers in the field of Advanced Science and Technology.

Who should apply?

Applications are invited from the engineering graduate students and faculty members from all our partner universities.

How to apply?

Participants will receive financial support for local accommodation during the course.

Students who wish to apply for the summer school should fill a soft copy of the application form and sent to koinkar@cicee.tokushima-u.ac.jp, stating clearly their name and postal address.

The application form for the Summer School 2010 should be completed and sent as soon as possible and must be received by the closing date of **30 June 2010**.

An acknowledgement will be sent to the applicant upon receipt of the application forms. The selection of the students will be made by the Organizing Committee together of the summer school; and all applicants will be informed early in July whether or not they have been selected.

For questions regarding the course or the application process please contact at
