

Announcement and Call for Participation: Summer School 2015

Tokushima University, Japan

July 26-August 7, 2015

We are very pleased to announce the summer school to be held at **Graduate School of Advanced Technology and Science, Tokushima University** from July 26-August 7, 2015. The aim of this summer school is to educate the graduate students with deep knowledge on their major engineering. The Summer school program will include lectures, discussions, laboratory sessions delivered by leading researchers in the field of Advanced Science and Technology.

Who should apply?

Applications are invited from the engineering graduate students from all our partner universities. The selected participants will receive financial support for lowest-cost economy class air travel and local accommodation for the duration of summer school.

How to apply?

The application form can be downloaded and view online at

<http://www.cicee.tokushima-u.ac.jp>

Applicants should submit:

1. A completed application form (found on our website).
2. Letter of Motivation includes few lines about your research and the progress you have made in research (300 words).

Students who wish to apply for the summer school should fill a soft copy of the application form and sent to **koinkar@tokushima-u.ac.jp** stating clearly their name and postal address. The completed application should be sent to us as soon as possible and must be received by the closing date of **June 15th, 2015**.

An acknowledgement will be sent to the applicant upon receipt of the application forms. The selection of the students will be made by the Organizing Committee together of the summer school ; and all applicants will be informed by around June 29th, 2015 whether or not they have been selected.
